

YOU ASKED WE DELIVERED

Four new products and services.

In our commitment to boost your book profits, **we've added four new products and services.** As the leading partner in print-on-demand book manufacturing, we continue to help revolutionize the business with more freedom, more control, and more options than ever before. **We're ready.**

COLOR HARDCOVER

Lightning Source, Inc. can now deliver our stunning color books in hardcover. We offer six (6) new trim sizes in color - 5.5 x 8.5" (216 x 140mm), 6 x 9" (229 x 152mm), 6.14 x 9.21" (234 x 156mm), 7 x 10" (254 x 178mm), 8 x 10" (254 x 203mm), and 8.5 x 11" (280 x 216mm) - all in hardcover.

B&W NEW TRIM SIZE

In addition to adding color hardcover, we also offer the 8.5 x 11" (280 x 216mm) hardcover and paperback trim size in B&W.

EXPANDED PAGE COUNTS

In an ever expanding market, Lightning Source answers the call from our customers. We have expanded the minimum and maximum page counts for B&W books.

- New minimum page count: 18 pages
- New maximum page count for white: 1,200 pages
- New maximum page count for crème: 1,050 pages

MULTI-VOLUME SETS

Introducing Multi-Volume Sets, an added benefit that enables a publisher to set up multiple titles under a single ISBN. When the MVS ISBN is ordered, the group of titles is printed and shipped as a set.
